For Children and Families Golf Classic

APRIL 16, 2026

STRAWBERRY FARMS GOLF CLUB

A Message to Our Supporters

Over five decades ago, KYCC was founded as a youth-centered organization in Los Angeles's Koreatown, to support newly immigrated Korean youth and their families. As our community has grown over the years, so too has KYCC, evolving to meet the needs of our multicultural neighborhood and expanding our reach to serve families across Los Angeles.

Today, KYCC provides critical programs in the areas of education and learning, wellbeing, economic viability, community beautification, and social connection. Through this work, we remain a trusted pillar for children and families seeking stability, opportunity, and support.

We invite you to sponsor our FORE Children and Families Golf Tournament and help us sustain these vital programs and services. With your partnership, KYCC can continue to respond to the evolving needs of our community, ensuring that families have the resources and support they need to thrive—now and for future generations to come.

Sincerely,
