Our MISSION

KYCC (Koreatown Youth and Community Center) was established in 1975 to support a growing population of at-risk youth in Los Angeles. Today, KYCC is the leading multiservice organization in Koreatown, supporting children and their families in the areas of education, health, housing, community beautification, and finances. KYCC is committed to making Koreatown a safe and beautiful place to live and work.

The mission of KYCC is to serve the evolving needs of the Korean American population in the greater Los Angeles area as well as the multiethnic Koreatown community. KYCC's programs and services are directed toward recently immigrated, economically disadvantaged youth and families, and promote community socioeconomic empowerment.

KYCC is committed to making Koreatown a safe and beautiful place to live and work.

Dear Friends of KYCC,

Over 47 years ago, the Asian American Drug Abuse Program (AADAP) opened an outpost at 932 South Crenshaw Boulevard called Korean Youth Center (KYC) to provide a culturally and linguistically relevant space for newly immigrated Korean youth in the community. Through the coming decades, KYC would grow its staff and expand its services to become the multicultural and multi-service organization that Koreatown Youth and Community Center is today.

As our organization has evolved to adapt to the changing needs of our community, our commitment to serving the family as a whole has remained steadfast. With our continuum of services, KYCC's programs are able to work together to identify and address the multifaceted needs of children and families, from child development, mental health services, affordable housing, community beautification, and more.

As we emerged from the pandemic, our programs examined the various ways that we could help empower our families and community to continue living healthy, safe, fulfilling lives. This year, we joined the City's Clean LA program where we provide on the job training and experience, while also working to beautify our city streets. We expanded our small business program, through a grant from the Small Business Administration, to bring culturally relevant small business resources to Korean American business owners throughout Los Angeles and Orange County. We gave local youth a platform to be in conversation with their peers and address topics related to mental health and substance use.

These are a few of many highlights from the past year and examples of how our dedicated, passionate staff are working each and everyday to invest in the social fabric that our community, families, and neighbors all contribute to make Koreatown beautiful. As our programs and staff continue to grow, we are grateful for the continued generosity and support from our community, without whom none of this would be possible. We look forward to bringing you along on our journey as we support children and families throughout Koreatown to live and thrive, as we have since 1975.

Sincerely,

John Ho Song

REDISTRICTING

For the first time in history, Koreatown has been unified into a single Council District, under Council District 10.

KYCC joined the efforts of the Koreatown Redistricting Taskforce and after almost a year's work, was able to advocate for unifying Koreatown, which was previously split into four different council districts. Keeping Koreatown whole will allow for unified political representation and a collective voice for Koreatown constituents.

Stop AAPI HATE

From the beginning of the COVID-19 pandemic in March 2020, there were almost 11,500 incidents of anti-AAPI (Asian American and Pacific Islander) hate reported to the Stop AAPI Hate reporting center, as of March 31, 2022. Through a grant from the California Department of Social Services, KYCC has been conducting outreach related to anti-AAPI hate and has formed a collaborative with other Koreatown AAPI serving organizations to expand our collective efforts within the community.

Environmental Services **CLEAN LA PROGRAM**

In July 2021, KYCC joined the City of Los Angeles's Clean LA program, which allows individuals who have experienced higher barriers in life to obtain professional job training, while also working to keep our city streets clean and safe.

Participants are enrolled in the Clean LA program through community-based organizations, like KYCC, and local job fair recruitment. Once enrolled in the program, KYCC provides participants with one year of onsite job training, helping them obtain transferable skills such as working as a team, communication, and integrity in a service-related position. Clean LA crew members provide various services throughout the City of Los Angeles including cleaning major corridors, removing bulky items and loose litter, and weed abatement. Upon completion of the year-long program, the City of Los Angeles provides individuals with a pathway to apply for a city service position.

The Clean LA program has given its participants a steady source of income, even allowing some to purchase reliable modes of transportation, thus improving their overall way of life. In addition, participants have also grown their social skills and learned a new trade. KYCC's Clean LA program has now transitioned four crew members through the program, all who have gone on to receive jobs with KYCC, the City of Los Angeles, and other organizations.

Going beyond the act of cleaning, the Clean LA program is about equity, justice, opportunity, possibility, and helping provide a safer, cleaner environment for all Angelenos.

Meet Two of Our **CLEAN LA CREW MEMBERS!**

Jose and Luis learned of KYCC's Clean LA program through a job fair and since joining, have become essential members of our Clean LA crew.

In addition to their efforts to keep our streets clean, Luis says that their work has inspired the local community to also get involved. “The community collaborates with us to help maintain the clean streets, and they now have their own brooms and cleaning equipment.”

“The work of Clean LA is very important to me,” says Jose. “It’s made the city, community, and Los Angeles a better place.”

Jose and Luis's experience with Clean LA has allowed them to make a valuable and visible difference in their community, while also equipping them with skills and tools that they can take with them into life beyond the program.

Before joining Clean LA, “I would never really pay attention to the trash on the streets or how dirty they were, and now that I’m cleaning the streets, I notice areas that need more maintenance. Not just on my route, but also areas that I walk or pass by while driving,” says Luis.

Reflecting on the impact that the program has had on him, Jose shares that “[Clean LA] has impacted me greatly...Seeing the city, people moving around, my outlook on life is tremendous now and I feel like I can achieve anything I want to and be whatever I want to be in life. It’s also made me want to live in a better and more efficient city for my children and the future generations.”

Community Economic Development **COMMUNITY NAVIGATOR PILOT PROGRAM**

KYCC Community Economic Development was awarded the Small Business Administration Community Navigator Pilot Program grant. Over two years, KYCC will serve as the centralized lead organization in the Korean American Business Development Program of Southern California, which includes Hwarang Youth Foundation, KAFLA, Karsh Center, KCS Health Center, and OCAPICA. Together the collaborative will bring culturally and linguistically relevant small business resources to Koreatown and Korean American business owners in Los Angeles and Orange County.

The Korean American Business Development Program of Southern California was one of 51 collaboratives selected across the nation amongst 700 applicants, and the only one awarded in the state of California.

Small Business Highlight **DEBBY'S SKINCARE FOR ME**

Deborah is the owner of Debby's Skincare for Me, a beauty clinic located in Koreatown, which provides quality Korean skin and scalp care, specializing in facials and scalp massages using quality products sourced directly from vendors in Korea.

When Deborah's daughter enrolled in college, her family's financial burden increased, and having worked as a salesperson for beauty products, Deborah decided to utilize her skincare knowledge and skill set to start her own business. Unsure of where to begin and overwhelmed by the many facets of running her own business, Deborah was referred to KYCC's Small Business Program, where she participated in the Korean Language Entrepreneurial Training Program.

Through the program, she received 12 hours of training, which covered the basics of starting a business, giving her valuable insight from experts in their field and the confidence to apply what she learned to her own work. Deborah also received five hours of focused business counseling sessions, leading her to complete a business plan and apply for a microgrant through the California Dream Fund.

“With KYCC's Business Counselors' help, I was able to apply for the California Dream Fund, and was granted \$5,000. This was a huge relief because I was feeling stressed over rising supply costs, along with my need to keep prices low to engage more clients,” says Deborah.

“I was able to subsidize my costs and implement a new marketing plan with less burden on my operating expenses. KYCC's business program gave me the confidence to run my business and it's always nice to know that there is an expert to turn to when I need advice.”

With help from KYCC's Small Business Program, Deborah now has more control of her finances and feels confident in the decisions she is making to grow her business.

Prevention Education & Recovery Services YOUTH OPIOID RESPONSE PROGRAM

In 2021, KYCC Prevention Education and Recovery Services was awarded a California Youth Opioid Response (YOR) grant and collaborated to begin KORYO (Koreatown Organizing to Reduce Youth Opioid [Use]), which aims to increase and expand KYCC's capacity to provide youth ages 12 to 24 with opioid use disorder and stimulant use disorder services in the Koreatown community.

KORYO conducted a 5-week curriculum developed by the YOR team and created a youth advisory council, consisting of local high school youth. Over the course of the program, the youth learned how to talk to their peers about opioid and stimulant use, and shared resources on how to find support.

By conducting needs assessments, enhancing infrastructure and networks, and improving avenues to treatment services, they also developed a pathways map to create more partnerships to help youth and young adults access the services they need for opioid and stimulant use.

As a result of this collaborative effort, KYCC's Recovery Services was able to dedicate more time and focus on services for youth, and now have a Recovery Services counselor who specializes in working with youth and young adults.

Clinical Services, Prevention Education, and Youth Services UNWIND YOUR MIND YOUTH SUMMIT

KYCC's Clinical Services, Prevention Education, and Youth Services collaborated to host their First Annual Unwind Your Mind Youth Summit. The goal of the summit was to provide a space for youth to be in community with one another, in addition to learning about mental health and wellness.

Over 60 youth attended the event, including 14 students from KYCC's YDAPP, BRIDGE, and SAY programs who facilitated their own workshops and emceed the event.

Youth attendees were able to participate in educational workshops on a variety of topics including race, the harmful effects of smoking, and wellness workshops from art and dog therapy, to hip hop dance and zine making.

MILESTONES 2021-2022

Youth Services Receives Chromebook Donation

KYCC Youth Services received a donation of 51 Samsung Chromebooks courtesy of former Dodger's pitcher, Hyun Jin Ryu, Tad Yo, and Hanmi Bank. These Chromebooks were distributed to Youth Services students across our middle school and high school programs, who were all excited to utilize their new laptops for homework help, research, and play!

Environmental Services Hosts Tree Ambassador Program

KYCC Environmental Services hosted seven Tree Ambassadors as part of the City of Los Angeles' 10 month grassroots, bilingual community organizing program, dedicated to amplifying community voices and planting trees in historically disinvested communities. KYCC's Tree Ambassadors were trained to help provide on-the-ground, community-centered support for residents in low-canopy and urban heat vulnerable regions, by bringing together residents to organize for a greener, more equitable future.

Kids Town Completes Two-Year Renovation

Kids Town Preschool completed a two-year renovation of the exterior facade, interior lobby, and playground turf. This renovation began in 2019 and was completed in September 2021, in time for new students to be welcomed for the fall school year. We are grateful to The Ahmanson Foundation for funding the renovations and the S. Mark Taper Foundation for supporting the refresh of the site that they championed back in 2004.

Koreatown Storytelling Program Awarded NEA Grant

Koreatown Storytelling Program was awarded a \$20,000 Grant for Arts Projects from the National Endowment for the Arts, to support intergenerational oral history and community journalism as they document unheard stories from our immigrant community in Koreatown. Throughout the program, students and elders have focused on topics including the COVID-19 pandemic, the garment industry, elder care, the 30th anniversary of the LA Uprising/Saigu, as well as the food and restaurant industry in our community.

Community Economic Development Hosts Successful VITA Season

This past tax season, KYCC's VITA program completed 14,500 tax returns, in collaboration with 23 agencies across Los Angeles. Through their efforts, \$28 million in tax refunds were returned to clients, which would not be possible without the help of our 231 VITA volunteers who gave almost 2,500 hours to help our community get essential funds back in their pockets.

Housing Services Completes First Year of Rapid Re-housing Program

KYCC's Rapid Re-Housing program began in 2021 to help house the most vulnerable populations at risk of COVID-19, including those fleeing domestic violence or living in interim housing, such as temporary shelters. Through partnerships with homeless shelters in Service Planning Area (SPA) 6 were identified to be provided housing and case management, as they work to get back on their feet. This past year, 60 individuals, including children and their families, were housed through the Rapid Re-Housing efforts.

Getty25 Celebrates Koreatown

In celebration of the 25th anniversary of the Getty Center, KYCC, CARS, and Getty hosted Celebrate Koreatown on June 11 and 12, 2022 to provide a two day free arts festival for the community. The festival featured performances, art, workshops, and activities to showcase all of the diversity and cultural beauty that Koreatown has to offer including a musical performance by HOLA's Eisner Intergenerational Orchestra, drumming by Hwarang Youth Foundation, performances by Season Theater Group, Nueva Antequera, El Feeling, Buyepongo, and more.

Prevention Education Hosts Run for Love 5K

KYCC Prevention Education held the Run for Love 5K to celebrate the reopening of MacArthur Park lakeside. The run was hosted to promote community pride, the importance of physical and mental wellness, and to encourage a smoke and substance-free MacArthur Park. Over 250 residents of the Westlake community and surrounding neighborhoods took part in the event.

Our SERVICES

Kids Town

1140 Crenshaw Boulevard, Los Angeles, CA 90019

Kids Town Preschool provides quality early childhood education for children ages of 2.5 to 5 years. Our progressive philosophy emphasizes creative exploration in a developmentally appropriate environment, where children can learn, grow, and develop at their own pace. Activities are designed to promote high self-esteem, independent learning, and lifelong feelings of competence.

Clinical Services

3727 W. 6th Street, Suite 402, Los Angeles, CA 90020

Clinical Services offers culturally and linguistically appropriate counseling services for low-income children, youth, and their families. Individual and family therapy, case management, and medication support services are provided in outpatient, school-based, and in-home settings. Clinical Services also offers educational workshops, parenting groups, youth activity groups, parent self-care events, and family events.

Prevention Education

520 S. La Fayette Park Pl., Suite 560, Los Angeles, CA 90057

Prevention Education's goal is to prevent and reduce substance use and its associated harms among residents and young people in Koreatown, Westlake and Pico Union, and the Greater LA area. We work with community members and local partners to address the availability and access of these substances through community engagement, health education and policy advocacy to transform the social norms that contribute to substance use.

Environmental Services

1319 W. Pico Boulevard, Los Angeles, CA 90015

Environmental Services aims to engage communities in creating safe, healthy, and beautiful neighborhoods. KYCC works with residents and groups to plant, distribute, care for and learn about our community trees. KYCC beautifies Koreatown and surrounding neighborhoods by leading community cleanups and service projects, and increasing safety by removing graffiti free of charge, seven days a week. Through neighborhood beautification and environmental education, KYCC is helping to make Los Angeles a cleaner, greener, and more liveable city.

Youth Services

680 S. Wilton Place, Los Angeles, CA 90005

1230 S. Menlo Avenue, Suite 100, Los Angeles, CA 90006

Our academic support programs supplement school education and foster independent learning through out-of-school-time services for low-income children. Youth development and case management programs provide family support, life skills, leadership experience and enrichment for youth to become active community members. Our programs include K-12 academic, middle and high school programs, Summer Day Camp, and high school volunteer/leadership programs.

Community Economic Development

3727 W. 6th Street, Suite 410, Los Angeles, CA 90020

Community Economic Development focuses on building community wealth by helping families achieve financial stability. We offer financial education, individual case management, and matched savings accounts to help families increase financial capability and reach their individual goals. KYCC's Free Tax Prep Los Angeles campaign educates eligible households about tax credits and provides free tax assistance to nearly 13,500 households. Our Small Business Development program provides free technical assistance to small businesses and entrepreneurs to provide economic opportunities in our community. KYCC also offers utility assistance programs to help non-English speakers resolve their billing issues.

Recovery Services

3727 W. 6th Street, Suite 411, Los Angeles, CA 90020

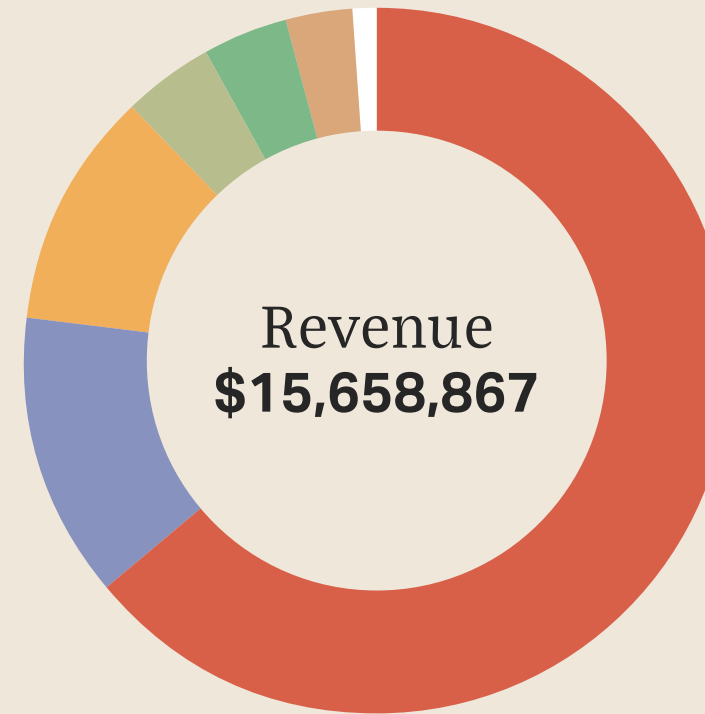

Recovery Services is an outpatient treatment program providing help for people facing drug and alcohol problems. Services are available to youth and adults age 12 and up. Treatment is individualized according to each person's needs and preferences toward successful long-term recovery and includes counseling, case management, information and referral, and recovery support.

Housing Services

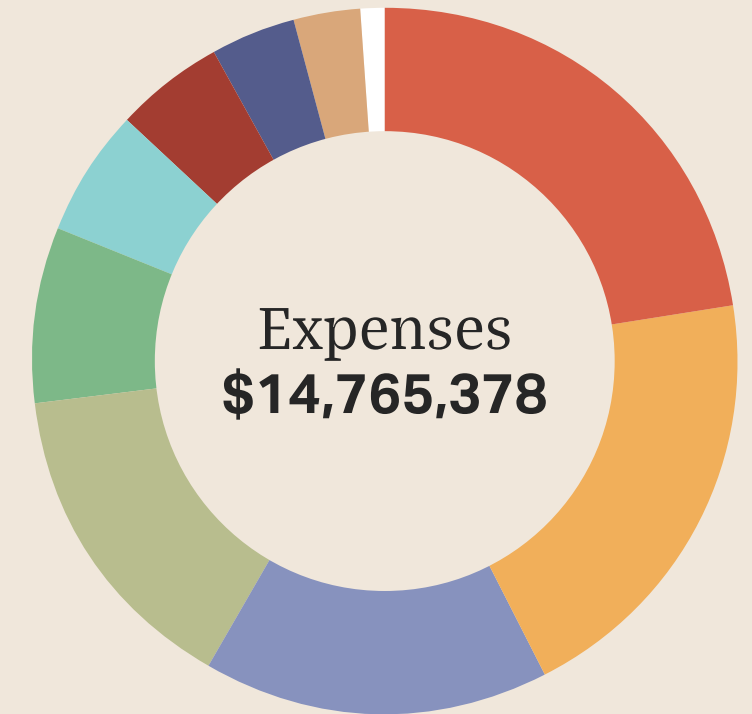

1230 S. Menlo Ave., Suite 100, Los Angeles, CA 90006

Housing Services operates eight affordable housing projects totaling 209 units and provides supportive services to unhoused and formerly unhoused clients at six KYCC-owned housing projects in Koreatown and surrounding neighborhoods. KYCC also provides supportive housing-related services including Intensive Case Management Services, Recovery Re-Housing Program to help unhoused clients attain housing, and Community Food Program which distributes groceries and other essentials
